

| | |
|--------------------------|-------------------|
| Motor model | ZZJ-816 |
| Motor Power | 150KW |
| Armature voltage | 220V |
| Rated speed | 450RPM |
| Rated Current | 726A |
| Excitation mode | Series excitation |
| Excitation voltage | 220V |
| Excitation current | 726A |
| Work system | S2-60min |
| Cooling method | IC16 |
| Insulation class | H |
| Temperature rising grade | F |
| Temperature limit value | 105K |
| Shell protection | IP21S |
| Installation method | IM1004 |
| Environment temperature | 21 °C |
| Armature resistance | 0.0103 Ω |
| Reversing resistance | 0.0063 Ω |
| Excitation resistance | 0.0073 Ω |
| Motor weight | 3080 KG |
